

Give a Gift for Good

A child is awoken in the middle of the night by his mother. At the age of just 7, he has no idea what is going on. His mother tells him to quietly get into the car, and quickly. The boy does as he is told, and eventually he and his mother arrive at Hope's Door. The boy is scared and confused. He has none of his toys or clothes with him. 187 children arrived at Hope's Door last year. Help us help them.

Help make the children feel safe and welcomed when they arrive at the Hope's Door shelter. Every child loves getting and unwrapping a present. Make a gift bag for a child to help them with what can be a scary first day!

Claire Wixted completed her Girl Scout Gold Award by making care packages for Hope's Door!

You can help by making one too!

1. Put a new toy in the gift bag!
2. Add **full size** toiletries! Tissues, soap, tooth brushes and tooth paste are all needed (*no travel size please*)!
3. Add some tissue paper to make it more like a gift!
4. Add a gift tag specifying the age range and gender of the gift, so each child receives something appropriate.
5. Call Hope's Door to make arrangements to drop off your gift.

Thank you!
