WHAT WE ARE DOING TO HELP

HOPE’S DOOR LEGAL CENTER

- Divorce
* Bilingual service is available *

HOPE’S DOOR COMMUNITY SERVICES
Our counselors and advocates, many bilingual, are providing phone counseling, danger assessment, safety planning, and information and referrals—all to support survivors as they make their personal journey to safety, independence, and healing.

Our Next Step Economic Advancement coordinator is in contact with clients remotely, continuing to support and guide survivors on their path to economic self-sufficiency.

The Love Shouldn’t Hurt youth prevention team is harnessing the power of social media and Zoom online meetings to continue the work of ending dating violence and promoting relationships based on equality, respect and trust. We sent our prevention materials to schools and stand by to conduct virtual sessions.

HOPE’S DOOR SHELTER
Hope’s Door Shelter is open 24/7. If our shelter cannot accommodate a victim, we will work to find alternate, safe options.

Our mission is to end domestic violence and to empower victims to achieve safety, independence and healing from the trauma of abuse
